Prepared by: Preston Conder | Last Updated: October 23, 2019

1. Look Back (20 min)

Worship

- Worship (sing, pray, take communion, give, or reading scripture)

Accountability

Follow

- "Talk about how you obeyed Jesus command to celebrate last week"

Fish

- "Talk about how praying for the people on your map went this past week"
- "Talk about how sharing your testimony, 3 circles, and baptism went this past week"
- "Did anyone start meeting with people to start training or the Commands of Christ?"
- "How are your disciples doing sharing their testimony and 3 circles?"
- "Have your disciples started their own group yet and if so how is it going?"
- "How are your disciples, own disciples, doing training their disciples?"

Vision

- We can become a church who gives like the early church.
- Jesus gave everything for us. Everything we have is His to begin with. Imagine the impact we could make if we leveraged our money for God's purposes. Let's give not only our time and energy to Jesus but the money He's given us as well. You can give and make a difference!
- Imagine what kind of Kingdom impact we could make if we gave sacrificially

2. Look Up (30 min)

Lesson

- Read the passage: The Widow Gives from Mark 12:41-44.
- “Retell the passage in your own words.”
- “What does the passage teach us about God?”
- “What does the passage teach us about people?”
- “How will you obey Jesus command to give this week?”
- “Who could you share this with this week?”

3. Look Forward (20 min)

Set Goals

- C.O.S.T.
- C: When will you connect with Jesus?
- O: How will you obey Jesus?
- S: With whom will you share your story and God's story?
- T: Who can you train?

Pray

- Lay hands on each other and pray to live sent
- Boldness to share our testimony and the gospel with people far from God
- Start training believers or a Discovery Bible study with seekers
- Help our disciples share their testimony and the gospel
- Help our disciples start new groups or a Discovery Bible Study with seekers
- Multiply generations of disciple-makers
