

# Command 1: Repent and Believe

Prepared by: Preston Conder | Last Updated: October 6, 2019

## 1. Look Back (20 min)

### **Worship**

- Is there something you/we can thank God for?
- Worship (sing, pray, take communion, give, or reading scripture)

### **Loving Accountability**

Follow

- “Talk about how praying for the people on your map went this past week”

Fish

- “Talk about how sharing your story and God’s story went this past week”
- “Did anyone start their own Huddle and begin training others in Discipleship 101?”

### **Vision**

- Identity: You are disciple makers. We are a disciple making movement. It’s who we are. I know it’s hard. I know people might reject you. But with the Spirit of the living God you will reach people far from God! Keep sharing the gospel. Imagine what would happen if we lived out of our identity.

## 2. Look Up (30 min)

### **Lesson**

- Read Luke 7:36-50 out loud
- “Retell the story in your own words as if you were telling a friend who never heard this before.”
- “What does the passage teach us about God?”
- “What does it teach us about people?”
- “How will you repent and believe this week?”
- “Who could you share with what you’ve learned?”

### 3. Look Forward (20 min)

#### **Set Goals**

- Make a plan and put your plan on paper
- Use the acrostic C.O.S.T.
- Connect: When will you connect with Jesus this week?
- Obey: How will you obey Jesus' command to repent this week?
- Share: Who will you share your story and God's story with?
- Train: Who can you start training in Discipleship 101 this week?

#### **Pray**

- Lay hands on each other and pray to live sent
- Love God, love people, make disciples
- Jesus. Nothing more. Nothing less.
- Boldness to share our testimony and the gospel with people far from God
- Multiply generations of disciple makers
